East Zion Consolidated District Association Leadership

Here are our 2024 objectives:

Destinations to Destiny

In a rapidly changing 21st century, the “New Destiny 21” Ministry Model is designed to empower our ministries and individuals to serve our community and fulfill our mission.

It is crucial that we continually evolve and adapt to the changing needs and expectations of those we aim to serve.

To achieve greatness within our District Association, it is imperative that we remain spiritually grounded as we strive to remain relevant. We must transition from traditional ministry practices and embrace a 21st-century model. Let us tailor our ministries to foster new and innovative thinking.

Objectives:

- Development of comprehensive ministry models
- Purpose: What are your ministry goals?
- Focus: What is the target?
- Plan: How do we get there? What is the aim?
