The BMA exists through God's grace and guidance to strengthen and support pastors and churches to grow higher in their calling as well as empowering and inspiring our communities to come into the knowledge of our Lord and savior Jesus Christ. Now for 80yrs God has moved in miraculous ways and we believe the best is yet to come.

As we celebrate these 80 yrs., we solicit your prayers, presence, and participation as we lift up our Savior Jesus Christ and thank God for his faithfulness.

To help us celebrate this momentous and monumental occasion, you can support by purchasing an ad that will be featured in our 80th historic souvenir book.
